Super Soccer Stars - Monday and Friday mornings.

At Super Soccer Stars, it is our goal to teach soccer skills in a fun, non-competitive, educational environment. Our philosophy is to use soccer to nurture, to build self-confidence, and to develop teamwork in every class. Our specially designed curricula use positive reinforcement and a low child-to-coach ratio to ensure that each child improves at his or her own rate while having endless fun.

Sports Fitness – Thursday mornings

Run by the faculty of Super Soccer Stars, this activity based movement program uses simple sports skill to promote development of gross and fine motor skills, build self-confidence and have fun in a non-competitive, educational environment.

Gymnastics with Gym on Wheels – Thursday mornings

The mission of gym on wheels is to develop social, intellectual, and physical skills through our program of gymnastic exercises, group activities, music, and games—we teach children that fitness is Fun ! We help children establish a positive attitude towards exercise while developing healthy habits that last a lifetime. We strive to make this fun and exciting program available to as many children as possible.

Dance with Steffi Nossen School of Dance – Friday mornings

The Steffi Nossen dance program provides an educationally sound, sequential curriculum that foster technical and artistic development. We believe that dance is a unique form of education—developing the body, mind, spirit and character. All classes are designed to challenge students to strive for personal excellence in a supportive, non-competitive environment.

Bricks 4 Kidz – Tuesday mornings

Bricks 4 Kidz classes provide an extraordinary atmosphere for children, where we learn, we build, we play... with LEGO® bricks. Programs are built around our proprietary model plans, designed by engineers and architects, with exciting themes such as space, construction, and amusement parks. Our specially designed project kits and theme-based models provide the building blocks for the Bricks 4 Kidz approach to educational play. At Bricks 4 Kidz, we believe that kids learn best through activities that engage their curiosity and creativity.

Creative Art with Miss Anuja – Monday mornings

Montessori teacher Miss Anuja will be putting her considerable artistic skills to good use as she offers a creative arts program this summer. The program will focus specifically on exposing student to the different media and techniques with which art is created.

Cooking with Miss Sherry – Tuesday mornings

Children are involved in a cooking class. Children are exposed to concepts such as measuring, preparing ingredients, different food groups, and always have a yummy treat to take home that night!!!

Cook Out – Every Thursday school provides lunch

Miss Lynn's world famous meat balls will be back on the menu this summer! The school serves a hot lunch to the kids every Thursday.

Water Play – Every Day

Children go to play in our water sprinkler area each day. Its a highlight of the summer for the kids – and keeps everybody cool as the summer starts to sizzle!

Every Wednesday morning we have a special activity

- 6/21 Music with Lina
- 6/28 Pony Rides & Petting Zoo
- 7/5 Bubble Show
- 7/12 Juggler
- 7/19 Nature of Things
- 7/26 Dinosaurs Rock
- 8/2 Magician
- 8/11 Carnival! (Friday)
